MANNight, special evening openings

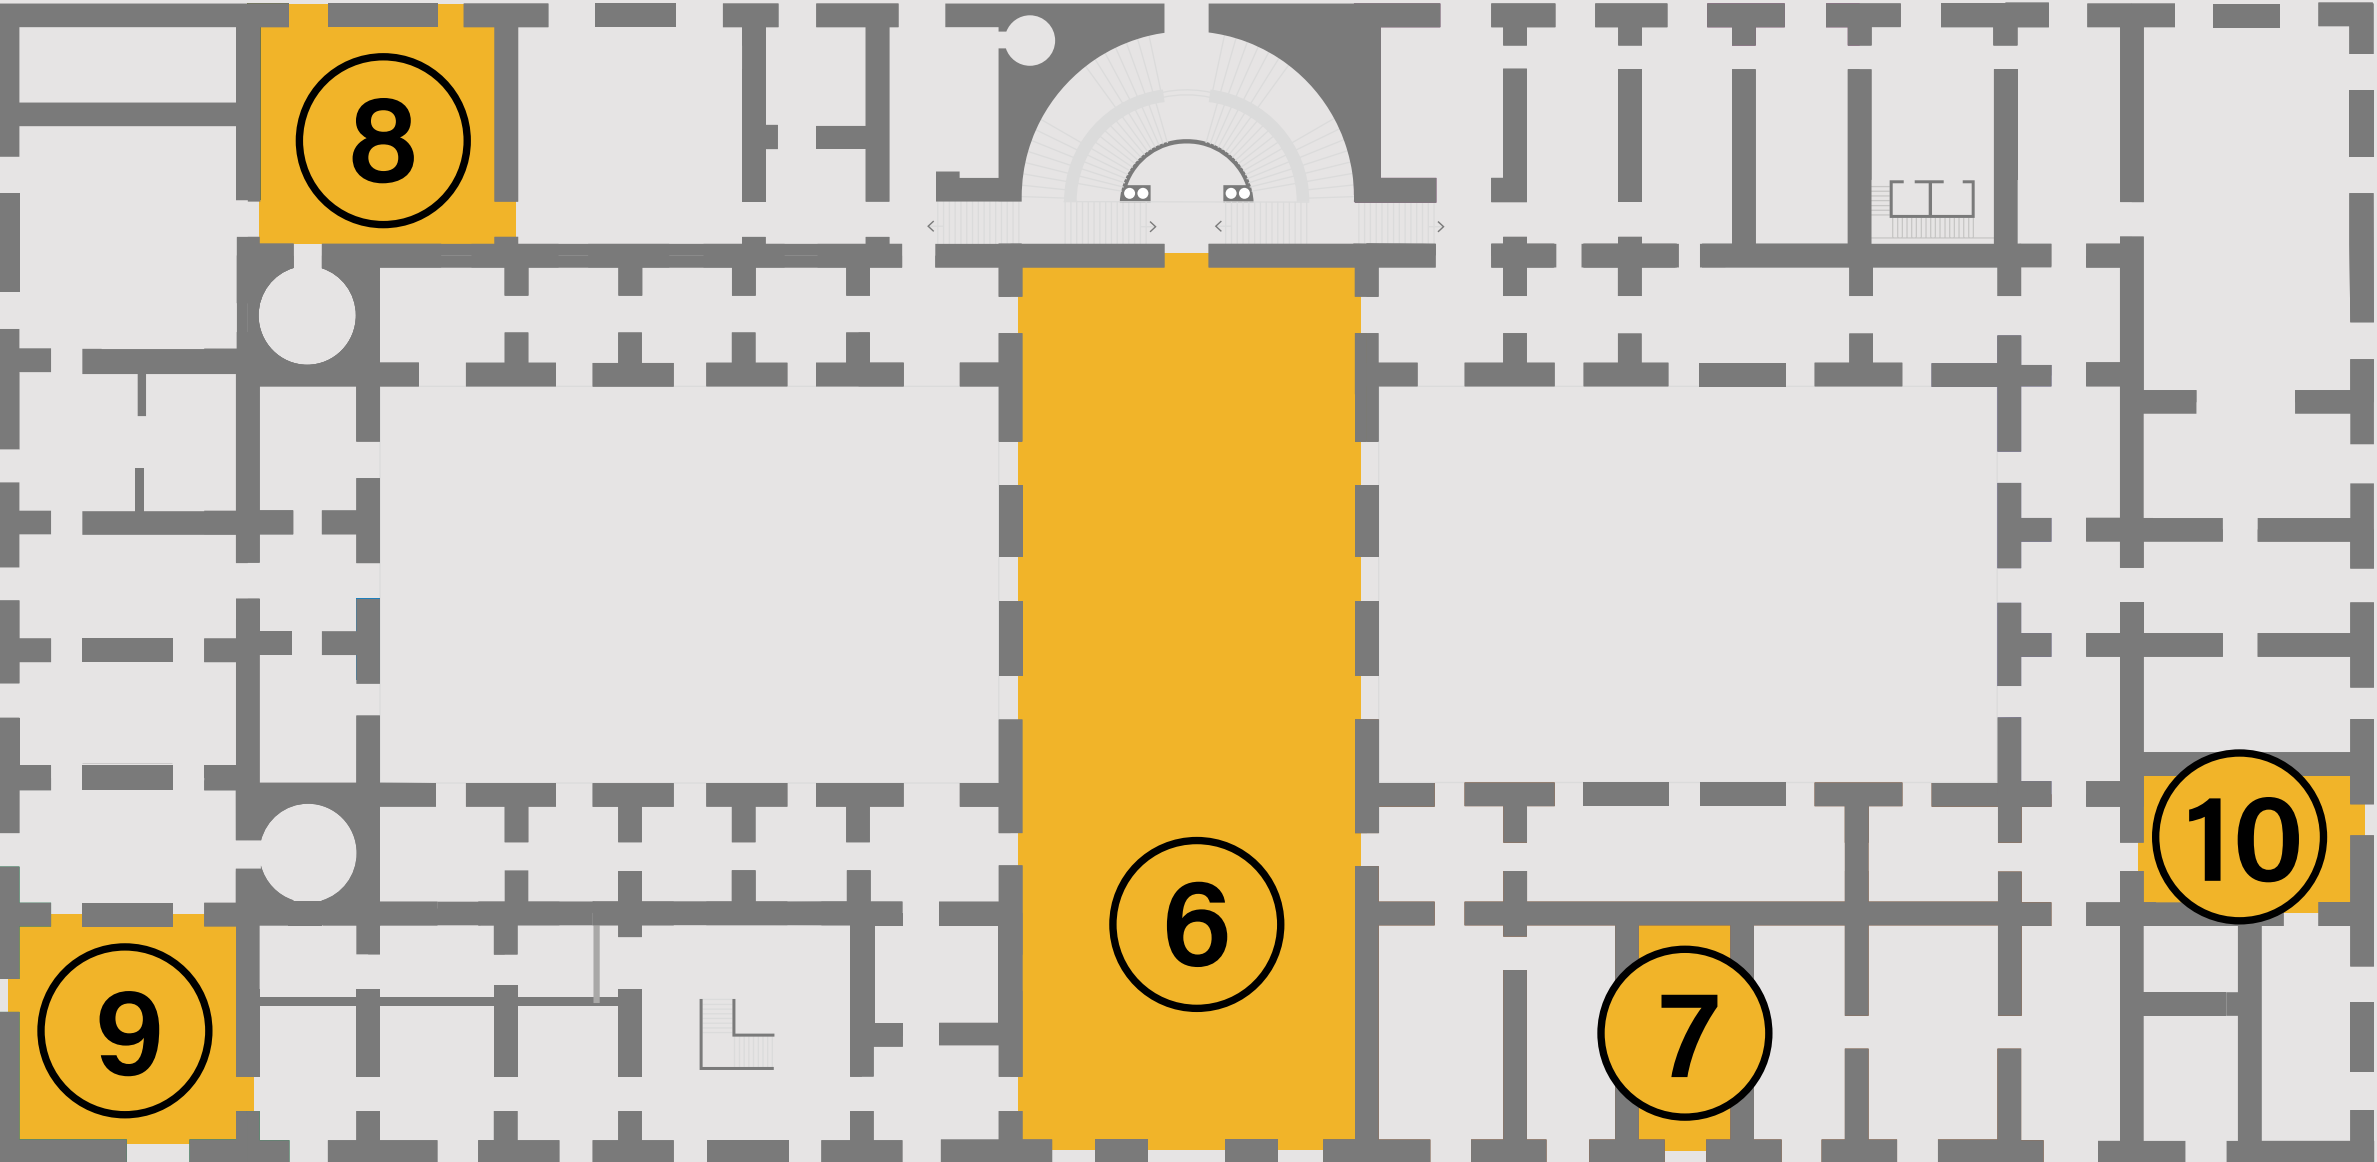

It is a different way to experience the collections of the Museum through site-specific artistic performances inspired by and dedicated to the works on display, repeated several times throughout the evening.

Body painting, artistic tattooing, multimedia installations, docubeat, audience interaction, living art, musical crossovers, and tableaux vivants.

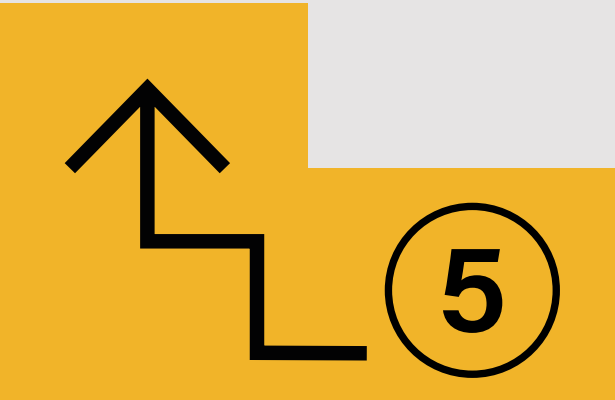

An immersive experience inviting visitors to discover the Museum's extraordinary artworks in a new light.

Collage sonori e visivi, che uniscono documentazione, musica e suoni d'ambiente.

SECOND FLOOR

6

SUNDIAL HALL

Cosmic Dialogues - Dance and music

Sara Lupoli, Martina Primicile Carafa

Two site-specific performances inspired by the relationship between sky, time, and the artworks housed in the hall.

7

FRESCOES - ROOM 70

Vesuvian Soul. Pictorial Act II The Body Beyond the Wall Camouflage and performative body painting - *Weronique Art*

The artist transforms the faces and bodies of the models into elements of the collection, becoming part of the fresco itself in a seductive and surprising visual interplay.

8

VILLA DEI PAPIRI - ROOM 117

Live music - String Quartet

*Giovanni Sanarico, Ledia Nikolla,
Carlo Coppola, Alessandra Gallo*

Arrangements inspired by Kate Bush's
"Wuthering Heights" and Bastille's
"Pompeii". A journey through the Vesuvian
ruins and their romantic imagery, a source
of inspiration for art, literature, and music.

9
